

Orion Techcity. Eastern India's biggest and most attractive

IT HUB

Unprecedented scale. Orion Techcity will cover 155 acres and 18 million square feet of commercial space.

- ▶ **Distinctive.** Not just commercial infrastructure but a full-fledged IT SEZ with attractive tax benefits.
- ▶ **Proximate.** Located in Rajarhat, only 5 kms from the airport, on the main New Town Road.
- ▶ **International flavour.** Encompassing a dedicated Japan Village catering to the needs of IT and ITeS companies focused on opportunities coming out of Japan.
- ▶ **Centre of excellence.** Intended to provide employment to more than 180,000 knowledge professionals.
- ▶ **Focused commitment.** A proposed investment of more than 1.2 billion USD to make the sprawling campus one of the most differentiated in India.
- ▶ **Futuristic.** Not just cement and glass but green, clean and responsible.
- ▶ **Support.** Establishment of the 'Bengal Innovation Incubation Centre'.
- ▶ **Completion.** First phase to be completed by 2010-11.
